

GARDEN HOSE NOZZLES & CONNECTORS

All of our pistol grip nozzles have full size bodies with insulated grips. Additional features are listed below:

Part No. Description PRICE EACH

PISTOL GRIP NOZZLES

571TFRL	Heavy duty nozzle rated to 70°C (158°F) Includes threaded front and rubber cap	\$13.70
572TFRL	As above but with brass nozzle insert For temperatures to 80°C (176°F)	16.30

TRIGGER GUARD NOZZLE

50502	Insulated nozzle	26.50
-------	------------------	-------

GREEN PLASTIC FOG NOZZLE

G97-GHT	Garden hose thread	18.40
---------	--------------------	-------

BRASS NOZZLES

Nozzles without shut-offs

G37M-GHT	Miniature brass tapered nozzle with 1/8" orifice	4.50
G37-GHT	Long brass tapered nozzle with 1/4" orifice	12.10

Twist shut-off nozzles

G97B-GHT	Miniature brass twist nozzle	7.25
G37AB-GHT	4" long twist nozzle	6.10
528	Gilmour heavy-duty twist nozzle with rubber grip	17.50

These plant washdown nozzles come in two sizes. The standard nozzles weigh just under 3lb and measure about 6-1/2" long and high. The aluminum nozzle is full size but lighter in weight. Some users prefer the new Junior model, which weighs just 2 lb and measures in at 5-1/4". Both nozzles are rated for a maximum of 150 psi water up to 93°C and are NOT for use with steam.

HOT WATER WASHDOWN NOZZLES & SWIVEL HOSE BARBS

Part No.	NPT Size	Hose Size	Description	PRICE EACH
S-150-W	1/2"		White standard spray nozzle	\$252.30
S-150-BL	1/2"		Blue standard spray nozzle	242.90
S-150-A	1/2"		Aluminum spray nozzle	207.30
S-150-JR-B	3/8"		Black junior spray nozzle	163.30

The brass and stainless steel swivel hose barbs listed here are generally used with these nozzles to reduce wrist fatigue but are ordered separately, depending on size required. They are supplied with hanger rings.

Part No.	NPT Size	Hose Size	Description	PRICE EACH
