North Zone Hard Hat

Setting a new standard for hard hat comfort
It's your job to keep your workers safe and productive. The first way to do that is to ensure that they wear their hard hats and other safety gear all day long. The problem: Users will not wear hats that are uncomfortable or fit poorly, resulting in constant removal and readjustment. Our North zone hard hat is so comfortable, stable and lightweight your workers wont want to take it off.

Overview

Key Features

Enter the comfort zone. Where it's all about the fit.

The North Zone Sleek, modern shell combined with a patented suspension design featuring multiple adjustment points for size, height and snugness; easily removable and replaceable.

- Contemporary shell design with 4 large areas for custom logo imprinting or other personalization options
- Slots for cap-mounted earmuffs, face shields and other PPE accessories
- Available in 17 vibrant colors and 2 suspension designs (Quick-fit [Pin Lock] and Ratchet).
- 3-level height adjustment (Low, Medium, High) for greater stability, balance and retention
- Removable, replaceable rear comfort cradle for improved fit and comfort
- Easy-grip ratchet for smooth and precise headband adjustment, even when wearing gloves
- Ergonomic headband for easy adjustment to 3 different sizes (S, M/L and XL)
- Approved to be worn in the reverse position
- Moisture-wicking, breathable sweatband; easily removable, washable and replaceable
- Short brim and low-profile design for increased field of vision and user mobility
