Overview

Key Features

The Bionic Shield is a revolutionary face shield. Designed for rugged jobs, it's tough where it has to be, yet extremely lightweight and balanced for all-day comfort. Its technologically advanced design enables the Bionic Shield to more easily stand up to airborne debris, splash and welding infrared radiation. Highly adjustable, with an easily replaceable visor, the Bionic Shield is the face shield workers want to wear.

- Enhanced protection from airborne debris
- Excellent optics and increased visibility
- Easily replaceable visor with dual position choices
- Secure visor attachment
- Lightweight and balanced, ergonomic design for extended use
- Comfortable cell foam on back of headgear
- Breathable, removable, washable headband
- Black matte finish
- Comfortably worn with most goggles and respirators
- Face shield offers secondary protection and must be worn with spectacles or goggles
- Perfect for workers exposed to falling or flying objects, impact, chemical splash, and airborne debris
- Hard hat accessory is compatible with multiple hard hats and was tested with Sperian as well as major competitor styles
- Meets ANSI Z87+ (High Impact) and certified to the requirements of CSA Z94.3 standards
