

V-FORM™ Full-Body Harness

Superior Comfort

The patent-pending RaceFORM™ buckle allows for a close, comfortable harness fit —eliminating the need for bulky chest straps or cumbersome buckles.

Increased Flexibility

The RaceFORM buckle creates an athletic cut, contouring the harness to the body and improving upper torso movement on the job.

Adjustability

Pull-down adjustment allows you to quickly and easily get the right fit that lasts throughout the work day.

WE KNOW WHAT'S AT STAKE.
