Product Numbers & Ordering Information

Overview

Key Features

Discover Wraparound Comfort

The DuraFlex Python Harness features wraparound comfort and is uniquely constructed with three types of performance webbing:

1. Cushioned tubular webbing shoulder straps
2. DuraFlex webbing torso straps
3. Non-stretch webbing leg straps

Soft, rounded cushioned tubular webbing in the shoulder straps minimizes possible irritation around the neck and reduces stress to the shoulders. Self-contained label pack encapsulates labels minimizing damage and loss. Integrated and oversized pull-free lanyard rings. Stretchable DuraFlex webbing in the lower torso offers greater worker mobility with less fatigue.

Recommended Industries/Use

- Construction
- Manufacturing
- Municipal Services

Hazards

- Confined Space
- Fall from height

Regulations

- - Meets all applicable OSHA, ANSI and CSA standards

Warranty Information

We sincerely believe that our fall protection equipment is the best in the world. Our products endure rigorous test to ensure that the fall protection equipment you trust is manufactured to the highest standards. Miller fall protection products are tested to withstand normal wear and tear, but are not indestructible and can be damaged by misuse. Our Limited Lifetime Warranty does not apply to normal wear and tear or abusive treatment of the product. In the unlikely event that you should discover defects in either workmanship or materials, under our Limited Lifetime Warranty, we will repair or replace the product at our expense. If a replacement is necessary and your product is no longer available, a comparable product will be substituted. Should a product issue surface, contact us at 800/873-5242. Manufacturing specifications are subject to change without

notice.
