

GASYN-CHEM

Angus GASyn-CHEM is a layflat, lightweight, flexible maintenance hose with the durability and abrasion resistance of heavy-duty rubber hose. GASyn-CHEM features our unique through-the-weave, one-piece construction that will not delaminate. The synthetic reinforcement is totally encased in nitrile rubber cover and lining which is resistant to fuels, chemicals, and oil. GASyn-CHEM will not mildew or rot and is heat and ozone resistant. The standard colour for GASyn-CHEM is blue. ULC listed and FM approved.
