Details

The 3M™ PROTECTA® Entry Level Vest-Style Harness is a 5-point vest-style safety harness designed to provide a full fall protection system for any wearer. With a corrosion-resistant back D-ring and pass-thru buckle leg straps, this harness is highly adjustable to fit a wide range of body types. Durable polyester web construction means the harness is lightweight but suitable for a wide range of uses, even in rough conditions. This harness meets CSA Z259.10 requirements.
